# CAR DROP OFF AND PICK UP PROCEDURES

If your child will NOT be riding the school bus, please take a moment to review the maps and instructions outlining how to safely and efficiently travel through our neighborhood and school campus.

## Getting to Cherry Crest

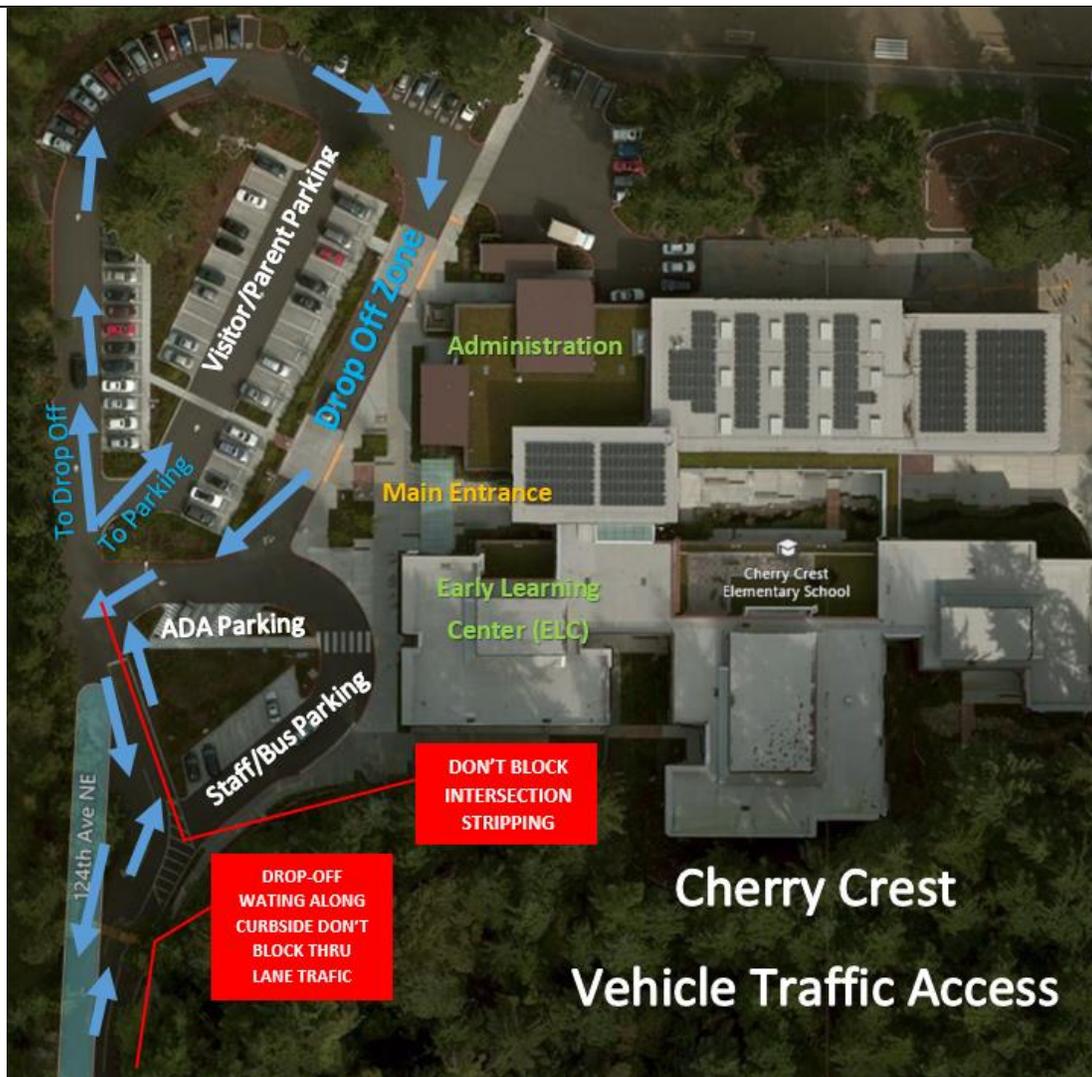

### The Route to Campus:

Out of respect for our Cherry Crest neighbors, please follow the outlined vehicle access routes. These routes have sidewalks allowing for cars and pedestrians to safely travel to and from school.

- **Arriving:** Use 130<sup>th</sup> Ave NE, turning left on NE 32<sup>nd</sup> and queuing in the right hand land for drop off/pick up.
- **Leaving:** Cars exiting the Cherry Crest campus may use 124<sup>th</sup> or NE 32<sup>nd</sup>. Please pay special attention to the cross walks and striped intersection. Do not block any striped intersections on campus.
- *Do not enter the school campus from 124<sup>th</sup> Ave as this creates a hazardous situation for pedestrians and cars exiting school along this narrow road.*

Please see directions and diagram below on drop off and pick up procedures and traffic flow.

## DROP OFF AND PICK UP PROCEDURES

If you would like to park your car and meet your child, the following options exist (See map also):

1. Park in the visitor parking lot.
2. Park your car in the neighborhood and walk in.

If you would prefer to stay in your car:

- Utilize the student Drop Off Zone located near the Visitor/Parent Parking area,
  - Remain in your vehicle at all times (as this is the designated fire lane).
  - Pull all of the way forward before letting your child in/out the car.
  - If your child needs assistance in getting situated in a booster seat, please park your car rather than using the drop off/pick up lane.
- ❖ In the Cherry Crest parking lot, please use the virtues of patience and responsibility and help keep our children safe by **refraining from using your cell phone!**
  - ❖ **Allow additional time** during our peak arrival and dismissal periods.
  - ❖ While we understand that pickup/drop-off at times can be frustrating, we appreciate you always using a respectful tone towards staff members, patrol students and families while in the parking lot.
