Hello Cougar Families!

Clyde Hill's Early Learning Center is open for business! Our youngest cougars were excited to enter their new building. Minor construction to the ELC and CHE will continue to take place after school through the next month. The contractors will be working on installing a permanent fence around the ELC. The contracted landscapers will continue to their work beautifying the school for the next two months. We hope you and your children are enjoying the new Clyde Hill.

Following last year's practice, we will not be celebrating Halloween (no costumes) during the school day here at Clyde Hill, however, classrooms may choose to celebrate Harvest Festival. The school district is also working on a guideline of practices for Halloween for all schools across the district based on the new equity policy. The PTA will be hosting a Trunk or Treat event on the evening of October 25th for Clyde Hill students and their family.

Spirit Week! October 21-25

10/21, Monday - pajama day

10/22, Tuesday - favorite color day or sports team

10/23, Wednesday – unity day, wear orange

10/24, Thursday - crazy hair day

10/25, Friday - favorite book character

Virtue of the Month- Responsibility

This month our schools focus will be on teaching our cougars what responsibility means and how to be responsible cougars. We hope that at home you can also bring up talking points with your child on responsibility throughout the course of the month to help us align our practices.

Hearing and Vision Screening

On Tuesday October 8th we will be conducting our State Mandated Hearing and Vision Screening of all students, **except 4th grade**. We will begin around 10:00am with Kindergarten and working our way up.

Bellevue Transportation Department Open House at Chinook: Pedestrian and Safety Improvement along 100th Avenue NE

The Transportation Department is hosting an open house at Chinook Middle School to update the community on current and planned pedestrian and safety improvements along 100th Avenue NE and nearby streets. Attached is the mailer that is being sent to over 1,400 nearby addresses. Also attached is a vicinity map showing the various improvements.

The Open House is Thursday, Oct. 17, 5 to 7 p.m., in the Commons Area.
