

Club Poster Policy

The bolded numbers are the maximum amount of each type of poster that your club may put up at one time:

	Event	Club Publicization
Flyer (< 1 square foot)	20	20
Large Poster (>= 1 square foot)	7	7

- An event poster advertises an event held at a certain time and in a certain location, such as club interest meetings, club fundraisers, and club celebrations.
- A club publicization poster advertises the club generally, encouraging attendance to the club.
- When obtaining approval for posters, the person approving will determine which quota a poster goes towards.
- Where a club would like to put up more posters than a quota allows, they must make petition to ASB through the poster appeal form.
