

How do you get your official IB transcript sent to your college or university?

IF you are a traditional 12th grade student graduating 2021, you should let Ms. Cairns know by entering your information on this Google form **no later than June 18th, 2021**. bit.ly/IHS2021IBrequest (you need to actually type this address into your browser to access the form).

IF you missed Ms. Cairns' deadline OR you are an Interlake IB graduate from any year, you can access the portal at rrs.ibo.org to have your official IB transcripts mailed directly to your school. There is a fee which you will have to pay. You will also need your IB log in personal code and PIN, which if you have forgotten it, you can request by email to Ms. Cairns at cairst@bsd405.org.
