

All in for Kids

2021-2022

Help us launch the 2021—2022 school year by participating in Bellevue School Foundation’s annual fundraising drive. The Foundation’s initiatives support 20,000 students, enrolled in 29 schools, and allow all students to achieve higher levels of academic success and social-emotional well-being, regardless of language, gender, race, socioeconomic status, and special needs.

This year, we are distributing \$800,000 to Bellevue students and educators to fund the following:

Mental Health and Suicide Prevention

Early Learning

Computer Science and STEM

Arts, Enrichment, and Innovation

National Board Certification for Faculty

Equity and Inclusion

Mentoring and Community Engagement
