Classroom-based Elective Fair Presentations
Newport High School - Monday, March 2, 2020

Current students in grades 9, 10, and 11 will participate in the Classroom Based Elective Fair. These classroom presentations will provide you with information as you choose your schedule for next year. This is an important opportunity to hear firsthand from teachers about Newport courses so that you can best select a schedule that pursues your areas of interest and passion while also balancing other competing priorities in your life. Each freshmen, sophomore and junior will have the opportunity to visit four ten-minute presentations of the elective classes of their choice. On the reverse side of this sheet, you can find elective class presentations and locations. Prior to the presentation day, take time to select the four elective class presentations you will attend. All 9th - 11th graders are required to attend four sessions.
