

## WHAT

The plan is to start off meetings by practicing/reviewing the basics of ASL. Each meeting will have a theme to what we'll be learning for the week (ex: fruits, colors, etc). We'll also be teaching about deaf culture and answer any open-ended questions you have!

## WHEN

Every Wednesday from noon-12:30pm

## WHERE

A link to the interest group will be sent out soon through teams (email presidents if you're interested so we can add you to teams!)
