FINANCIAL AID ADVISING

Don't miss the Financial Aid Advising session on Wednesday, November 18, at 11:30 AM. This presentation is a part of the High School and Beyond Plan that must be completed prior to graduation.

The topics include:

- Eligibility requirements for Washington College Grants
- Information resources, such as the CSS profile and the new financial aid calculator
- How to complete the FAFSA and WASFA application for financial aid

There will be time at the end of the presentation to ask questions.

Parents are welcome to attend.

The presentation will be presented in both English and Spanish.

Before the presentation:

- Please open Naviance and complete the form: Senior Financial Aid Questionnaire.
- During the presentation, please complete the document and submit when done.

For students NOT applying for financial aid, please open the Naviance document mentioned in previous paragraph and at the end of the form, complete the question, "I do not plan to apply for financial aid because:" After the presentation, if you have additional questions or concerns, please feel free to contact Vanessa Lopez-Kopp, our College and Career Advisor at Newport.

YEARBOOK & GRADUATION-AD PURCHASES

We will have more information after Thanksgiving about yearbook purchases. The next window to place an order for the book will be in early December.

For families interested in purchasing a Graduation Ad, we will have more information after Thanksgiving as well, but here's a preview:

- Take a look at last year's yearbook for the family well-wishes display pages that usually include a baby picture and senior portrait.
- This year, there is only one size. The one-third-page space costs \$100. That price does NOT include purchase of the yearbook.
- Yearbooks are sold separately for \$50.
- See flyer [attached](#).

Watch for more coming soon!

Congratulations and best wishes in advance!
