

SEASTAR
restaurant and raw bar

Attention Newport High School Students

Looking for a job? A first job? A summer job?

Does the food service and hospitality industry interest you?

Ever wanted to work in a busy, full service restaurant?

If you said yes to any of those, or just like taking great care of others and helping deliver high quality experiences, then you are in luck.

Seastar Restaurant and Raw Bar is currently hiring for both summer and long term employment in the following departments:

- Server Assistant/Busser (Clearing and cleaning tables, pre-bussing, water service to tables, stocking glassware, etc.)
- Front Desk Runner (Greeting guests, seating tables, handling to-go/curbside orders, etc.)

Applicants must be 16+ years of age.

No restaurant experience needed. All you need is a desire to learn, a strong work ethic, and a passion for being a part of a team that is devoted to taking excellent care of our guests.

Please email General Manager Mark Manca at markm@seastarrestaurant.com or call the restaurant at 425.456.0010 and ask to speak to a manager. Applications are available in person.

We look forward to hearing from you!

Sincerely,

The Seastar Restaurant Team
