

Tillicum Middle School

Drop-Off and Pick-Up Procedures

Goal: Safely and efficiently drop students off in the morning and pick them up in the afternoon through a systematic process.

For the safety of our students, please:

- ☆ Drive SLOWLY
- ☆ Manage technology (no cell phones, please)
- ☆ Demonstrate respect and patience toward all

The right lane (curb) will always be drop-off and pick-up. The left lane is “thru” traffic. Please follow the guidance of the traffic attendants.

AM Drop-Off

Please pull forward, do not stop in the middle of the drop-off zone. Student may be dropped off starting at 7:15 AM.

- Cars may drop off utilizing the full length of the drop-off zone.
- Please continue to pull forward to allow as many cars as possible to unload.
- If this is not adhered to, it causes back-up, confusion, and compromises the safety of our students.

If you need to get out of the car, pull into a parking spot for continued traffic flow.

PM Pick Up

Please watch for students crossing. Students need to be pick up no later than:

- 2:35 p.m. for After School pickup
- 3:05 p.m. for After Tutorial pickup
- 4:05 p.m. for After Activities pickup

Cars may pick-up utilizing the full length of the drop-off zone. Please continue to pull forward to allow as many cars as possible to load. If this is not adhered to, it causes back-up, confusion, and compromises the safety of our students. If you need to get out of the car, pull into a parking spot for continued traffic flow.
