

# Child Care and Preschool Chart for Parents

**Instructions:** To see which vaccines are required for child care or preschool, find your child's age and look only at that row going across to find the vaccines and doses needed. Children must meet minimum vaccine intervals and ages to be in compliance. Please talk to your health care provider or child care/preschool if you have questions. Additional immunization resources can be found at <https://www.doh.wa.gov/scci>.
