

MEMORANDUM

FORM REGARDING THE USE OF PHOTOGRAPHS AND/OR VIDEOS OF STUDENTS OR THEIR SCHOOL WORK OUTSIDE OF THE DISTRICT AND/OR ON THE DISTRICT'S WEBSITE – 2018-2019

Student Name _____ **Current grade** _____
School _____ **Student ID #** _____ **Birth date** _____

Dear Parents/Guardians:

From time to time the District makes videos and photographs of our students and their school work. When we do this for normal school use within the District, we do not require parent permission. Occasionally, videos and photographs of our students, their class activities, and their student work are used outside of the District and on our websites for District-authorized purposes. Examples of these uses include, but are not limited to: showing the Bellevue community what we do in our schools; usage in broadcast media and newspaper articles, the Annual School Performance Report, and Bellevue Schools Foundation programs; televising through the City of Bellevue Cable TV station; making presentations to other audiences at workshops; posting on our District, school, teacher, and curriculum websites along with lesson plans; and usage as part of a teacher's National Board Certification program.

Your student might be included on videos or in photographs that could be used for such activities, but you have the option to withhold your permission for these activities. If you **DO NOT** want videos and/or photographs of your child and his/her student work to be released for such purposes, please check the applicable boxes, sign below, and return this form to the office at your child's school. Otherwise, such use will be allowed.

- I DO NOT want** my student's photograph (and/or digital image) or school work posted on the District's websites, which include the District's main website, school, teacher, and curriculum websites.
- I DO NOT want** my student included in any photographs, videos, and/or digital reproductions for any use outside of the District, such as for Bellevue Schools Foundation, university, City of Bellevue presentations, or for any other audiences at workshops, or for use in the newspapers, television, or other media.
