

Library Media Centers

The Bellevue School District library/media centers will be used to support and extend the classroom program of instruction. Each center will provide a broad range of instructional equipment and learning resources to support the school curriculum and meet the unique needs of students.

The superintendent will establish procedures for the selection of materials. Citizens who wish to express a concern about specific material included in the collection may do so according to the procedures outlined in Procedure 2021P, with the understanding that the criteria and rationale for reconsideration of library resources differs from the criteria and rationale for reconsideration of classroom/curricular instructional materials.
