

Tuition Based Preschool and Childcare Programs

Bellevue School District Early and Extended Learning Programs are approved by the School Board and consist of purposeful learning experiences that adhere to the district's mission, policies and procedures. These programs also encompass approved curriculum-related activities.

Tuition rate recommendations for the following school year will be presented to the Board for approval prior to March 1st of each year. Recommendations will be set at a rate that covers operating costs, including a marginal indirect charge. Tuition assistance, to the greatest extent possible, is available to ensure equitable access for all students.
