

Relations with Vendors

Financial and business transactions of the district will conform to the law and be consistent with sound and ethical business practices. Purchasing decisions will be made objectively and will not be influenced by friendships or other personal relationships. Board members, administrators or staff will not accept a gift or favor from vendors or prospective vendors or other firms or individuals who have had or hope to have transactions with the district. Financial interests of board members, administrators or staff in any district purchase, sale or other transaction will be prohibited, except as expressly allowed under Policy 1610 Conflict of Interest.

Vendors interested in doing business with the school district should contact the Purchasing Department at Purchasing@bsd405.org or (425) 456-4141. The Board discourages vendors from using public comment time at board meetings for solicitation.
