School Overview

Cherry Crest Elementary prepares all students to become life-long learners through inquiry, collaboration, and discovery. Each student will feel a sense of belonging in our Comm(UNITY) while learning social-emotional and academic skills to be successful in an ever-changing and diverse society. We serve our school comm(UNITY) through programming including Early Learning, Special Education, Advanced Learning and English Language Learner support. We believe in educating the whole child and integrate social emotional learning across academic content areas.

Glossary

National Board Certified Teachers

The National Board for Professional Teaching Standards offers a voluntary certification process for teachers to show that they have met the organization's standards for effective teaching. Teachers who apply go through a lengthy and rigorous screening process to obtain certification.

Science Assessments - WCAS

WCAS stands for Washington Comprehensive Assessment of Science, first administered in Spring 2018 to students state-wide in grades 5, 8 and 11. The WCAS is aligned to Next Generation Science Standards, which emphasize engineering and technology. The standards were adopted by the state in 2013. For more information see www.k12.wa.us/assessment/StateTesting/default.aspx.

Smarter Balanced

Starting in 2014-15, Washington State adopted the Smarter Balanced exams to assess student learning in English language arts and math in grades 3-8 and 10-11. These computer-based exams are aligned to the state's Common Core learning standards. For more information see www.k12.wa.us/assessment/StateTesting/default.aspx.

Special Education Services

Neighborhood schools provide a continuum of special education services. We provide specialty centers as well:

- * Cascade program for students who benefit from behavioral supports due to emotional stressors.
- * Evergreen program to serve young adults (ages 18-21) with disabilities.
- * Olympic program to support students on the autism spectrum.
- * Pacific program for students with significant developmental and intellectual disabilities.
- * PALS (Preschool Age Learning) preschool to provide early intervention services for children with special needs (ages 3-5), together with typically developing peers.
