Glossary

National Board Certified Teachers

The National Board for Professional Teaching Standards offers a voluntary certification process for teachers to show that they have met the organization's standards for effective teaching. Teachers who apply go through a lengthy and rigorous screening process to obtain certification.

Science Assessments - WCAS

WCAS stands for Washington Comprehensive Assessment of Science, first administered in Spring 2018 to students state-wide in grades 5, 8 and 11. The WCAS is aligned to Next Generation Science Standards, which emphasize engineering and technology. The standards were adopted by the state in 2013. For more information see www.k12.wa.us/assess-ment/StateTesting/default.aspx.

Smarter Balanced

Starting in 2014-15, Washington State adopted the Smarter Balanced exams to assess student learning in English language arts and math in grades 3-8 and 10-11. These computer-based exams are aligned to the state's Common Core learning standards. For more information see www.k12.wa.us/assess-ment/StateTesting/default.aspx.

Special Education Services

Neighborhood schools provide a continuum of special education services. We provide specialty centers as well:

- * Cascade program for students who benefit from behavioral supports due to emotional stressors.
- * Evergreen program to serve young adults (ages 18-21) with disabilities.
- * Olympic program to support students on the autism spectrum.
- * Pacific program for students with significant developmental and intellectual disabilities.
- * PALS (Preschool Age Learning) preschool to provide early intervention services for children with special needs (ages 3-5), together with typically developing peers.
