

School Overview

The mission of Odle Middle School is to empower all students academically, socially, and emotionally in a welcoming, equitable, and safe environment, so they can grow as critical thinkers, problem solvers, and responsible members of local and global communities. Odle offers a continuum of services to students from diverse backgrounds across a range of programs, including General Education, Special Education, Advanced Learning, and English Language Learning.

Summary of Student Achievement

Data from Fall 2021 testing will be added when it is available.

State Assessment Results for Grades 6 - 8 (Spring 2019)

Percentage of Students Meeting / Exceeding Standards

SBA: English Language Arts

● Exceeds Standards ● Meets Standards

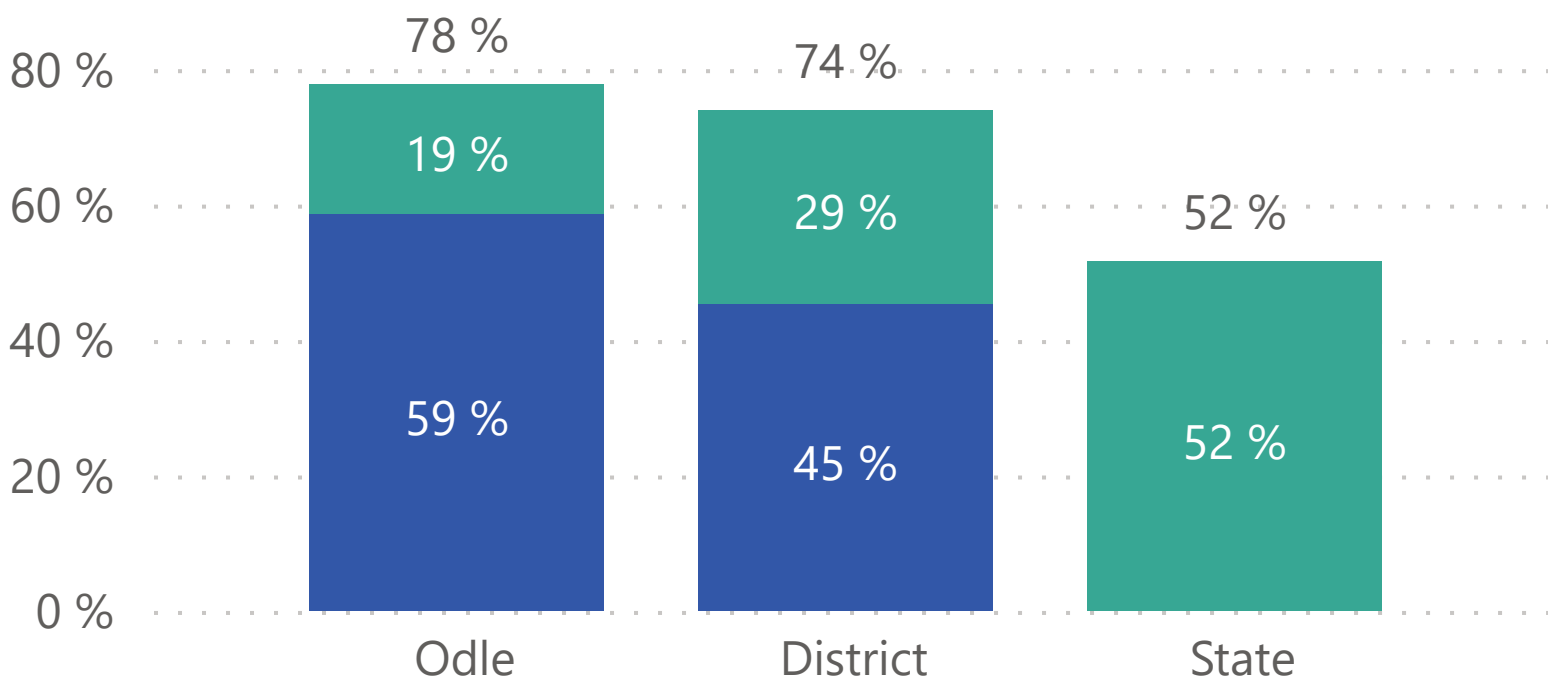

SBA: Math

● Exceeds Standards ● Meets Standards

WCAS: Science

● Exceeds Standards ● Meets Standards

State Assessment Results for Grades 6 - 8

Percentage of Students Meeting Standards

SBA: English Language Arts

SBA: Math

WCAS: Science

Glossary

Science Assessments - WCAS

WCAS stands for Washington Comprehensive Assessment of Science, first administered in Spring 2018 to students state-wide in grades 5, 8 and 11. The WCAS is aligned to Next Generation Science Standards, which emphasize engineering and technology. The standards were adopted by the state in 2013. For more information see www.k12.wa.us/assessment/StateTesting/default.aspx.

Smarter Balanced

Starting in 2014-15, Washington State adopted the Smarter Balanced exams to assess student learning in English language arts and math in grades 3-8 and 10-11. These computer-based exams are aligned to the state's Common Core learning standards. For more information see www.k12.wa.us/assessment/StateTesting/default.aspx.

Special Education Services

Neighborhood schools provide a continuum of special education services. We provide specialty centers as well:

- * **Cascade** program for students who benefit from behavioral supports due to emotional stressors.
- * **Evergreen** program to serve young adults (ages 18-21) with disabilities.
- * **Olympic** program to support students on the autism spectrum.
- * **Pacific** program for students with significant developmental and intellectual disabilities.
- * **PALS** (Preschool Age Learning) preschool to provide early intervention services for children with special needs (ages 3-5), together with typically developing peers.

STAR

Students in grades 2-8 take Renaissance Learning's STAR reading and math assessments in the fall and spring of each year. The purpose of these short, computer-based tests is to measure student growth over the course of the year, to identify students who might need additional support or acceleration, and to provide information teachers can use to inform instruction. STAR provides us with a consistent measure of student performance over time, which is helpful as state tests continue to change.

End Notes

1 School and Student Characteristics

Data are from October 1, 2020 unless otherwise specified.

2 District Average

The district averages displayed here are the averages for district middle schools.

3 Mobility Rate

The percent of students who entered or withdrew from the school between October 1 and June 15, based on October 1 enrollment.

4 State Assessment Results

State pass rate percentages combine "Meets Standard" and "Exceeds Standard."
