

## School Overview

At Phantom Lake Elementary we serve approximately 325 Kindergarten-5th grade students and between 80 and 125 preschoolers from across our district in our PALS integrated preschool program. The mission of our community is to provide an exceptional education for the whole child in a nurturing and joyful environment in order to prepare our students to be creators of their future world. YES WE CAN!

## Glossary

### National Board Certified Teachers

The National Board for Professional Teaching Standards offers a voluntary certification process for teachers to show that they have met the organization's standards for effective teaching. Teachers who apply go through a lengthy and rigorous screening process to obtain certification.

### Science Assessments - WCAS/MSP

WCAS stands for Washington Comprehensive Assessment of Science, first administered in Spring 2018 to students state-wide in grades 5, 8 and 11. The WCAS replaces the WA State MSP science assessment. The WCAS is aligned to Next Generation Science Standards, which emphasize engineering and technology. The standards were adopted by the state in 2013. For more information see [www.k12.wa.us/assessment/StateTesting/default.aspx](http://www.k12.wa.us/assessment/StateTesting/default.aspx).

### Smarter Balanced

Starting in 2014-15, Washington State adopted the Smarter Balanced exams to assess student learning in English language arts and math in grades 3-8 and 10-11. These computer-based exams are aligned to the state's Common Core learning standards. For more information see [www.k12.wa.us/assessment/StateTesting/default.aspx](http://www.k12.wa.us/assessment/StateTesting/default.aspx).

### Special Education Services

Neighborhood schools provide a continuum of special education services. We provide specialty centers as well:

\* **Cascade** program for students who benefit from behavioral supports due to emotional stressors.

\* **Evergreen** program to serve young adults (ages 18-21) with disabilities.

\* **Olympic** program to support students on the autism spectrum.

\* **Pacific** program for students with significant developmental and intellectual disabilities.

\* **PALS** (Preschool Age Learning) preschool to provide early intervention services for children with special needs (ages 3-5), together with typically developing peers.
