Overview

The ParentVUE and StudentVUE mobile apps help parents and students stay informed and connected by providing day-to-day insight into the student’s academic experience. The ParentVUE and StudentVUE mobile apps work with Synergy SIS in the same way as the ParentVUE and StudentVUE web applications. It allows parents and students to view upcoming school events, classroom happenings, assignments, tests, and academic performance. ParentVUE and StudentVUE mobile apps are free applications.

Device Setup

1. Download and install the mobile app from iTunes or the Google Play store.
2. Launch the mobile app.
3. Swipe left. A message displays asking you to enable location services on your device.

ParentVUE Welcome Screen

Welcome to ParentVUE
This app must connect to your school district’s server. To find your school district swipe left.

ParentVUE Welcome Screen

Your screens might not look exactly like those shown in this guide. Screens vary slightly by device.
4. Select an option on the location message.

a. **Allow** – The Mobile app uses your location to provide a list of school districts near you. Tap the name of your school district.

b. **Don’t Allow** – Enter the Zip Code to find your school district or tap **Enter Manually** to manually enter the school district URL.
   - Enter the school district URL in the space provided and tap **Test**. The school district name displays.
   - Tap **Done**. The Settings screen saves and displays previously entered district URLs.

You can find your school district URL on the Account Access screen of the ParentVUE/StudentVUE web portal.
Logging In

The mobile app uses the same user login as the web-based ParentVUE and StudentVUE.

Contact your school to receive your access URL and login information.

1. Enter your login information or activate your account. See Account Activation for more information.

2. Select the Current Language. You can modify this option later.
3. Tap Login.

Tap Save next to your User Name and Password to save the information in the app. You can modify this option whenever you log in.

If you save your login information, you can log in to multiple districts at the same time.
Viewing Information

The mobile app does not display certain pages that the web-based ParentVUE and StudentVUE applications have, such as class websites, course history, course requests, and digital locker.

Student List

In ParentVUE, the Student List screen lists all children attending this district. Tap the child’s name to view the Navigation screen that contains his or her information.
If your student is enrolled at more than one school, the concurrent school name displays under the primary school name.

Tap **Show Events** to view District and School Events.

Tap the **Settings** icon to set additional preferences and notifications. See Managing Notifications and Managing Preferences for more information.

**Navigation**

Tap the link in the Navigation screen to view any of the screens.

*ParentVUE Navigation Screen*
4. The Concurrent icon displays if the student is concurrently enrolled in another school. Tap the icon to view the concurrent school information.

5. Tap the Record icon to record or edit a recording of a student's name. See Recording a Student’s Name for more information.

Recording a Student’s Name

If you have not recorded the student's name, the following screen displays if you select your child in ParentVUE or if the student logs into StudentVUE.

1. Select one of the options on the screen.
   - Tap Yes to record the student’s name and go to next step.
   - Tap No to record the student’s name later.
   - Tap Never remind again to never record the student’s name.

2. Tap the Record icon. The app begins recording.

3. Record the name and tap Stop to stop recording.

4. Tap Play to listen to the recording.

5. Tap Save.

6. Tap OK to close the confirmation message. An icon representing the child's recorded name displays in the header.
Deleting a Recording

1. Tap the icon representing the child’s recorded name in the header of the Navigation screen.
2. Tap the Delete icon (trash can)
3. Tap Yes to confirm deletion.

Managing Notifications

The Notifications screen displays when you tap the Settings icon in StudentVUE or ParentVUE. Tap each notification type to receive app notifications for the student for Assignments, Attendance, or Grades.

Use the Minus or Plus icons displayed in Assignments and Grades to set notification thresholds. For example, the following settings display notifications for Assignments if the score is less than 80%, and notifications for Grades if the grade is less than 75%.

Discipline and Health notifications are currently unavailable in Synergy for the Bellevue School District.
Managing Preferences

Tap the Preferences tab in the Settings menu to edit preferences.

- **Grade Book - threshold value (0 to 100)** – Enter the score value that triggers a low mark indicator on an assignment. For example, enter 10 to indicate if the student receives a 9 or lower on an assignment.

- **Reminders** – Set assignment notifications on the Calendar screen.
  - **Use Reminders** – Tap to allow reminders.
  - **Use Bell Schedule Time for assignment reminders (if available)** – If allowed by the school, uses the Time for the assignment due date reminder according to the Bell Schedule created at the school.
  - **Enter the number of Days before the due date and the Time for the reminder.** If using Bell Schedule Time, enter only the Days.

Click **Reset Reminders** to reset and regenerate the reminders that were deleted in the web-based StudentVUE application.
Viewing Student Information

The school can enable or disable certain modules from displaying in ParentVUE or StudentVUE. If you do not see one of the modules listed below, the school disabled access to it.
