

Safety & Security 2017-2018

Telling Our Story

The Safety & Security Department has been busy building a culture of safety. Here's how.

Training, Training, Training!

We want everyone in the Bellevue School District to be trained to respond to emergencies & disasters.

We're on our way! We increased staff & student training hours in 2017-2018 by **80%!**

Our unique model is being noticed

We are being sought out for our opinions and expertise.

We presented a **4** hour class at the Partners In Emergency Preparedness Conference www.piepc.org

BSD! Please help!

We added several new classes to our offerings, including: The Importance of Drills, Crime Prevention Through Environmental Design, Stop the Bleed, & Recognizing Human Trafficking.

We were featured in the news!
