Wilburton Elementary Grand Opening Sept. 20

Fifth Grade Class Welcomes Community to New School

BELLEVUE, Wash. – Our brand new school, Wilburton Elementary, is having its grand opening on Thursday, September 20, 2018! As the very first fifth grade class we will be hosting and are excited to invite you. Some of the things about our school that we are excited to share are: Lots of space to play and learn, including on our interactive playground, the integration of technology – we are a Microsoft Showcase School, and the kids are all really friendly! We think you will be amazed by our new school!

Below are some details on the event.
