

Safety & Security 2018-2019

The Safety & Security Department has been busy building a culture of safety. Here are some highlights from our year:

TRAINING STUDENTS

- General preparedness and drill training for elementary students
- Active Shooter Response training for secondary students
- Life-safety Training Program pilot for Bellevue High School students
- Disaster Response training for International School student leadership group

IMPROVING SAFETY CULTURE & ENVIRONMENT

- Physical Security Management Specialist Kirk Rudeen hired. PSMS Rudeen brings 25+ years of experience with State Patrol
- Physical security surveys of each building
- Recommendations for improvements in building structure, policies, & safety practices
- Installation of additional surveillance cameras and auto-lock doors

TRAINING STAFF

- 210 trainings delivered for individual school staff
- 7 total 8-hour Safety Academies reaching 145 staff
 - Active Shooter Response Training
 - Continuing education for Safety & Security staff
- 9 Staff and 1 student awarded [Sheepdog Challenge Coin](#)

We can confidently assert that BSD staff are rapidly becoming the most highly trained school district staff in the state on the subject of critical incident and disaster response.
