

Bellevue School District

Application for Parent Representation to the Middle School Social Studies Instructional Material Adoption Committee

Name: _____

Home/Cell Phone: _____

Email Address: _____

Purpose: The purpose of the **Middle School Social Studies Instructional Material Adoption Committee** is to carry out the textbook selection process and make a recommendation to the Instructional Materials Committee based upon objective evidence gathered during the process. The committee will include teacher representatives, building/district administration and parent representation. The committee will be facilitated by the K-12 **Social Studies** Curriculum Developer.

Role: The role of the members of **Middle School Social Studies Instructional Material Adoption Committee** is:

- Attend scheduled meetings
- Serve as a communication link to the community they represent
- Assist in collecting data regarding the instructional materials under consideration
- Through a consensus process, make a formal recommendation to the Instructional Materials Committee

Do you currently have children in the Bellevue School District? _____

If so, which schools/grades? _____

Please complete the following questions using additional space or paper if needed:

Please explain why you are interested in serving on the **Middle School Social Studies Instructional Material Adoption Committee**.

Please describe any unique perspectives or experiences you could bring to the committee.

Please tell us about any previous or current school, district, or state-level experience or activities in which you have been involved pertaining to curriculum issues.

All applications must be received by **Karen Walters**, by e-mail or fax or mail.
