

March 19, 2020

Starting today, March 19, all school buildings will be closed to students and staff, with the exception of schools providing childcare, currently Lake Hills Elementary School, Stevenson Elementary School, and Newport Heights Elementary School, schools serving as food distribution centers, currently Lake Hills Elementary School, Stevenson Elementary School and Sammamish High School, and schools serving as technology support hubs, currently Sammamish High School. Cleaning staff will continue to have access to buildings. Voicemail boxes at all schools will be checked hourly and staff and educators will continue to check email regularly.

In addition, all district buildings, including ESC, ESC-West, and WISC, are now closed to the general public. Families who have meetings scheduled with individual staff will have the option of attending those meetings in person or remotely. If you have an upcoming meeting scheduled, please confirm the location with your staff contact.

Please continue to check our website for additional information regarding school district operations. We appreciate your ongoing support. We are interested in your feedback, please use this link <https://bsd405.org/contact-covid-19-coronavirus-team/>
