Planning for Fall Steering Committee Meeting Summary
June 17, 2020

CHARTER AMENDMENT
Ensure we are explicit about centering on equity

ADDITION TO NORMS
Revisit expectations at the end of the process as an accountability mechanism

ONE YEAR FROM NOW – ASPIRATIONS
• Our community felt valued and heard
• We held equity at the forefront
• We rose to the challenge and addressed both public health and racial equity crises
• We used the opportunity to strengthen and improve BSD
• We were unconventional, yet intentional – we took the opportunity to reflect and be thoughtful about how we design BSD for the future
• Options were communicated with clarity and transparency
• We were flexible in our approach but held true to our core values
• We ensured students did not lose out on educational opportunity, were able to experience community, had access to opportunity consistently across the district, and were looked to as sources of knowledge
• We focused on relationships and on the importance of social emotional learning
• We kept our academics standards high
• We led with love, equity, community, and excellence

PRIMARY AREAS OF EXPLORATION/QUESTIONS ON THE DRAFT HYBRID MODEL (NOT AN EXHAUSTIVE LIST)
• Transportation and start/end times
• Childcare for families and teachers
• Re-organized course load for teachers
• Sufficient planning and coordination time in the event of co-teaching between in-person and remote
• Athletics
