

## **Bellevue School District Directed Athletics (PE Credit) 2020-2021 Remote/Hybrid Learning Instructions**

Students who plan to compete in a BSD sport during Season 2 (December 28 start), Season 3 (February/March start) or Season 4 (late April start) will follow these guidelines to complete Directed Athletics during the 2020-2021 school year:

- All students (So, Jr, Sr) will need to complete the appropriate application (2410P: [Exh B.1](#)) and submit the completed application prior to the end of the academic year as described on the application. It is highly recommended that students complete the application and return it ahead of the end of the academic year.
- All students need to register for and meet proficiency on [the assessment](#) prior to the end of the academic year. The monthly written assessment sessions will be conducted online, through Microsoft Teams with virtual test proctors. It is highly recommended that all students wanting to complete the Directed Athletics process during the 2020-2021 school year complete the assessment prior to their athletic season.

Students who plan to compete in a community-based sport will follow these guidelines to complete Directed Athletics during the 2020-2021 school year:

- All students (So, Jr, Sr) will need to complete the appropriate application (2410P: [B.2](#)) and submit the completed application prior to the end of the academic year as described on the application. It is highly recommended that students complete the application and return it ahead of the end of the academic year when possible.
- All students need to register for and meet proficiency on [the assessment](#) prior to the end of the academic year. The monthly written assessment sessions will be conducted online, through Microsoft Teams with virtual test proctors. It is highly recommended that all students wanting to complete the Directed Athletics process during the 2020-2021 school year complete the assessment prior to their athletic season.

**Note:** The assessment sessions associated with Directed Athletics were successfully administered through Microsoft Teams during the Spring 2020 closure.

*Should the scheduled sports seasons be further altered or cancelled, students who included the completion of Directed Athletics in their graduation plan will be asked to complete the following:*

- *Complete the application (2410P: [Exh B.1](#) or [B.2](#)) including the following information:*
  - *The school or community sport you registered for during the 2020-2021 school year, including all signatures. If it is not possible to obtain all necessary signatures, please contact Jeff Lowell, Director of Athletics and Activities, for additional guidance ([lowellj@bsd405.org](mailto:lowellj@bsd405.org)).*
  - *Include a list of all completed BSD or community based athletic seasons during past school years.*
- *The completed application and proficiency report will be processed through the counseling department and registrar.*
