

Welcome to the BSD and SNPTA's Family Resource Series:

## **Supporting Behavior and Organization Skills During Virtual Learning**

Please join Bellevue School District Board Certified Behavior Analysts, Megan Kidder and Claire Sherman, for a family-focused informational session. We will discuss virtual learning supports including strategies on setting up your student's learning environment, supporting your child during group and independent work, preventing behavioral challenges, and setting up rewards.

**Monday December 14, 2020, 6:00 pm – 7:00pm**

Please register below and a link to join virtually using Microsoft Teams will be e-mailed to participants upon registration

Translation services will be available through Microsoft Translator app using your smart phone. If you do not have access to a smartphone, please let us know when you receive the Teams invitation email.

**Reserve your place using the following link: <https://cvent.me/OKI098>**
