

**Policy Suspension List  
September 23, 2021**

<b>Policy</b>	<b>Rationale</b>	<b>Duration</b>
1400 - Meeting Conduct, Order of Business, Quorum and Public Comment: Under the Public Comment Section, suspend the following provision," The Board will not require people to sign in, complete questionnaires, or establish other conditions for attendance."	This provision is inconsistent with the current practice of requiring members of the public to sign in using the <i>LobbyGuard</i> system for the purpose of potential contact tracing for COVID-19 exposure.	This suspension will remain in place until WA Department of Health and Public Health – Seattle and King County requirements regarding contact tracing apply.
