College Application Topics

Putting Yourself on Paper: Writing the College Essay * – All Sessions

Presenter: Jennifer Townsend, English Teacher, Bellevue High School

The college essay can be a critical part of the college application. Strategies to respond to essay prompts will be reviewed as well as ways to avoid mistakes and how to choose a topic that is appropriate for the essay. Recommended for 10th and 11th grade students.

College Entrance Exams: SAT & ACT - Why? When? Which? How Do I Prepare?– All Sessions

Presenter: Molly Metz, Owner, PrepNorthwest

Both the ACT and the SAT are used in the college admissions process. You will learn about their differences, as well as which tests are required or recommended and strategies to prepare for these exams.

College Success for Students with Learning Differences - Special Needs Admissions – Sessions B & C

Presenter: Amy Stay, Special Education Teacher, Bellevue High School

If your student has a 504 Plan or an IEP, then this session is a must. You will learn what support is available in college, the documentation you will need to provide, and examples of college services and programs available. Suggestions for ways to prepare for college while in high school will also be provided. Recommended for students in all grades who have special needs.

Finding the Right Fit * – All Sessions

Presenter: Claire Nold-Glaser, Independent College Counselor, College Planning Help

Strategies to find colleges that match a student's profile and interests will be discussed. Defining student priorities and interests is an essential first step in finding colleges that "fit."

Military Options in College Education: ROTC scholarships, Academy applications – Sessions B & C

Presenter: Troy Niehaus, Advisor, Varsity Student Institute

Learn about scholarship opportunities for college via ROTC or one of the prestigious Service Academies. Earn your college degree and be commissioned an officer in the Air Force, Army, Marine Corps, Navy, or Coast Guard. The information session is for high school students grades 9-11, who want to learn more about this college scholarship opportunity. The five Federal Services Academies include: US Air Force Academy; US Military Academy (West Point); US Naval Academy; US Coast Guard Academy; US Merchant Marine Academy.

Sports Recruiting in a Covid World – Sessions B & C

Presenter: Larry Judd, Advisor, Varsity Student Institute

The NCAA process for student athletic eligibility will be covered. Advanced planning is essential. The speaker will address the new transfer portal and the overall numbers of high school athletes playing college sports.

Career and Technical Education (CTE)- Connecting Students to Post-Secondary Options – Sessions A & B

Presenter: Marilyn Henselman, BSD Director of Career and Technical Education Programs

Learn how BSD CTE career pathways lead to various post-secondary opportunities through coursework, college credit, and industry recognized certifications. Understand the various career pathways and what post-secondary opportunities are available directly from our programs. There is something for everyone! Trade school, community college, university, or apprenticeship programs, we have a route for you. Hear about our satellite and WANIC Skill Center programs, all available through Career and Technical Education.

Financial Aid

Financial Aid from the College/University Perspective – FAFSA/WASFA – Sessions B & C

Presenter: Arlene Scott, Consultant

This session will include information about financial planning for college, the FAFSA (Free Application for Federal Student Aid), scholarships, and grants which can also be part of a financial aid package for qualifying students. Recommended for 9th, 10th and 11th grade students and families.

Financial Aid - How it Works and How to Qualify – Sessions A & B

Presenter: David Aramaki, Financial Advisor, Ameriprise Financial Services, Inc.

Learn about the financial aid process and how to apply. Session will include rules around FAFSA, CSS Profile, family assets, tax credits available when paying for college, and how they all work together.

Save Thousands on the Cost of College – Sessions B & C

Presenter: Peg Keough, Director of Education, College Aid Pro

Come hear how colleges assess your eligibility for financial aid, the aid application process, the sources of aid (e.g., scholarships and grants) and how you figure out if you are eligible for need-based aid. Colleges are discounting their cost of attendance many times by more than \$10,000 per year. Learn how you can realize these discounts and how you can create a comprehensive college funding plan to minimize your net cost of college. Recommended for parents/guardians.

Paying for College Without Going Broke – Sessions A & B

Presenter: Paula Bishop, Certified Public Accountant, Financial Aid for College Advisor

Typical questions that will be addressed include: How to complete the FAFSA and CSS Profile to qualify for the most aid? How can we afford private colleges? How does the financial aid system work? Do we qualify for financial aid? How to find the colleges that give the most aid? How can we get scholarships? How do 529 plans work? We haven't saved enough, what do we do?
